by PortNet

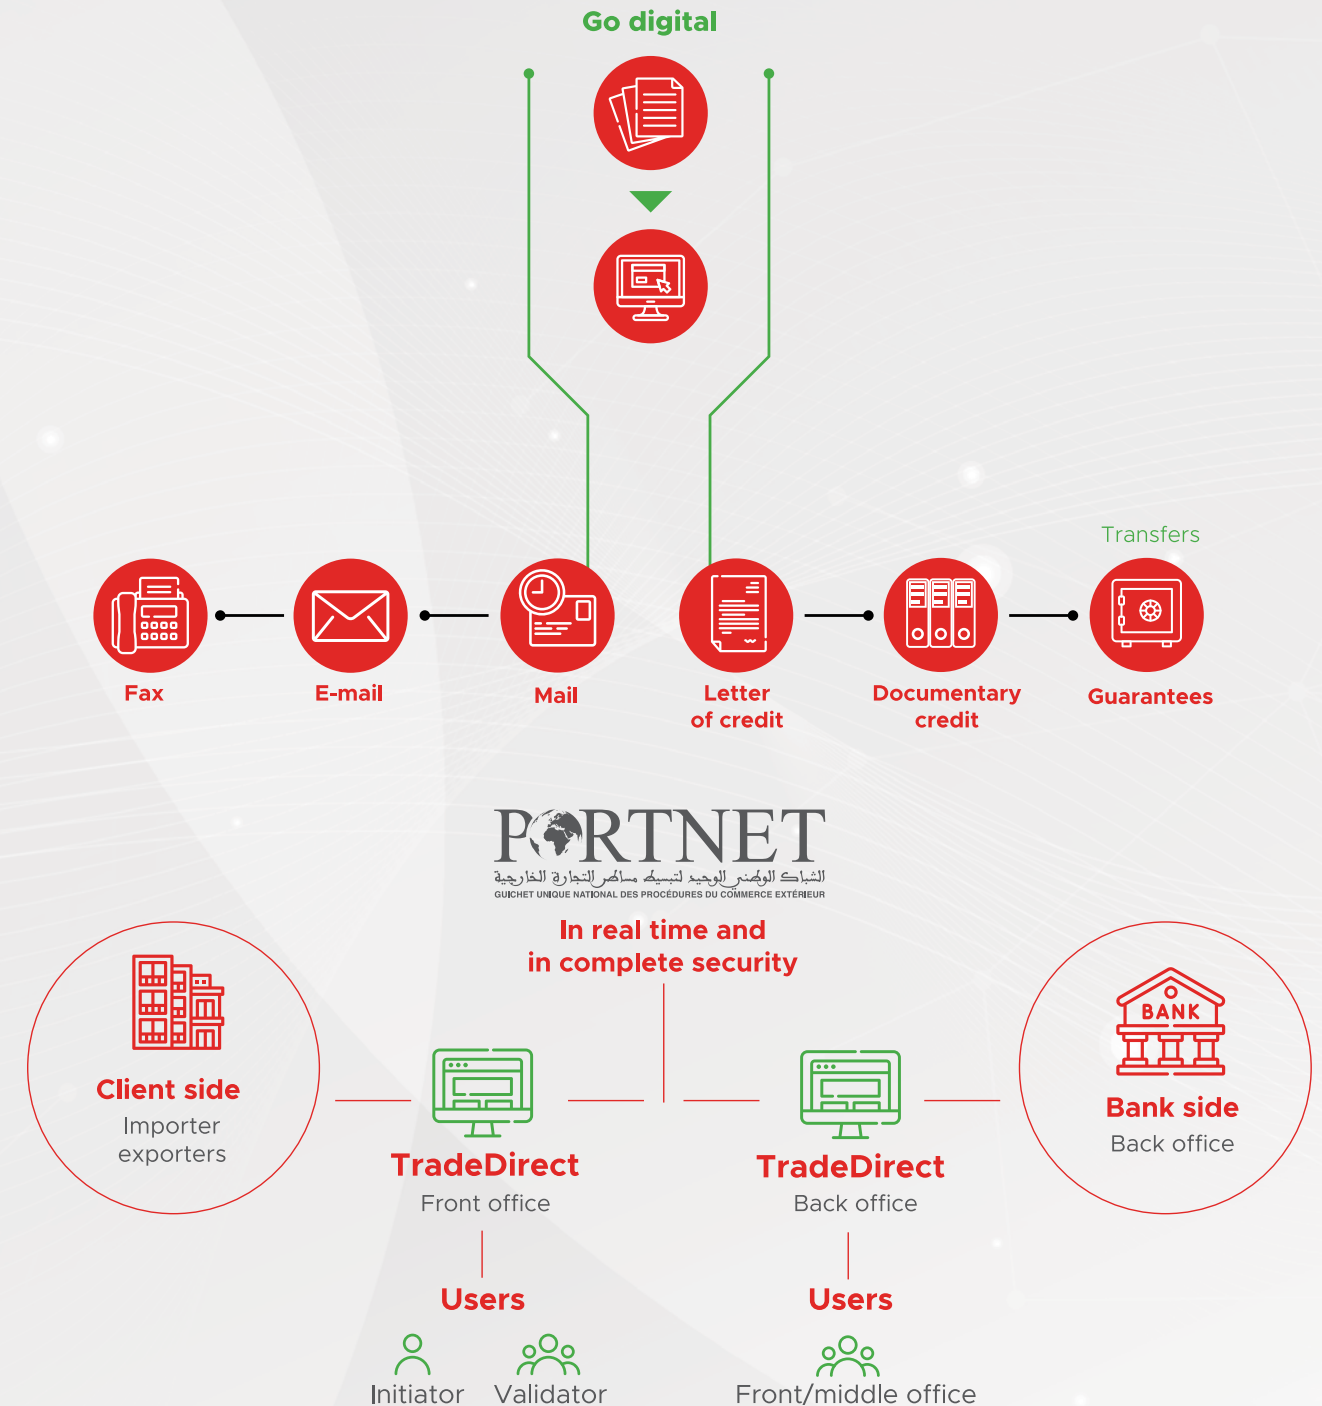

Your **foreign trade partner**

Trade Direct, A multi-bank, multi-user solution

Trade Direct is a platform for the exchange of payment and Trade Finance transactions (Letter of credit, guarantees, etc.) intended for companies and banks subscribing to the PortNet Single Window

Whether you are an importer or exporter, Trade Direct gives you direct access to all your banks.

A boon for multi-banked customers: Trade Direct consolidates all banking transactions at a single point of access.

Several **advantages**

A single window for successful international operations.

A unique, secure and easy-to-use tool, Trade Direct provides access to a homogeneous dashboard, offering a synthetic view to decision-makers and business leaders.

End-to-end digitalization of payments for international trade transactions.

Instant processing of your international transactions.

Centralized management of multiple banks with just one click.

24/7 accessibility.

Secure system with strong authentication.

A secure, practical, ergonomic and easy-to-use solution

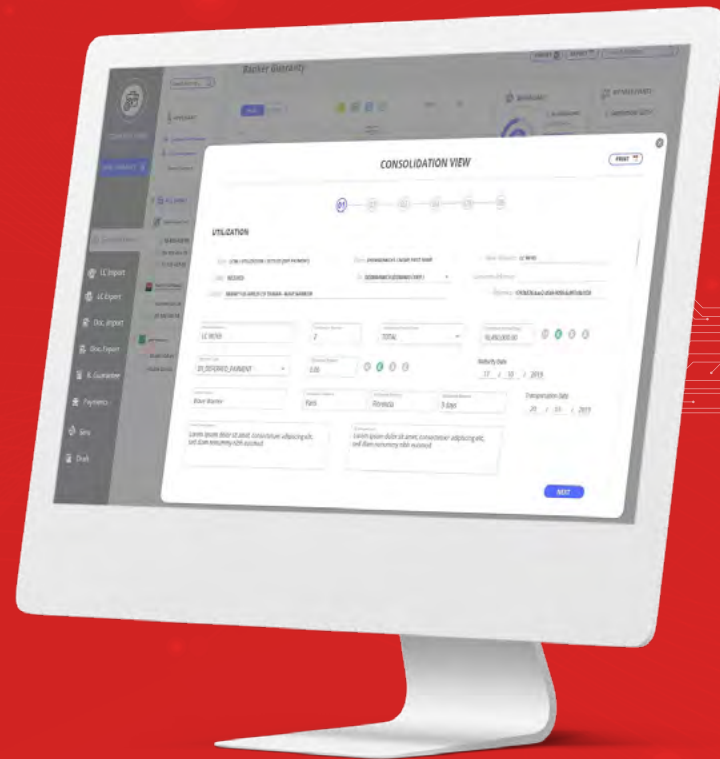

Thanks to an intuitive and easy-to-use interface, you can track transactions with your bank.

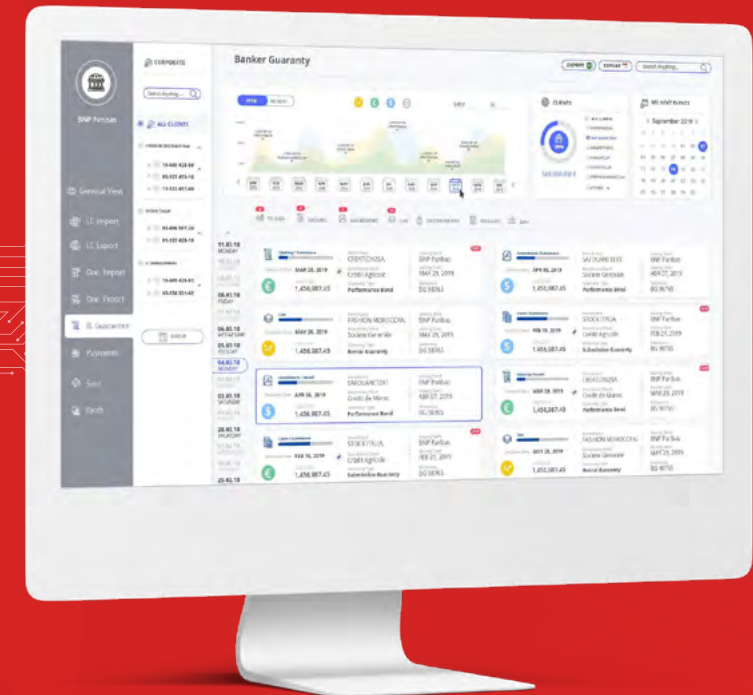

You can consult the current transactions
at any time.

You can consult the history of all your transactions.

You can also view detailed information of your operations

And manage your performance via Trade Direct dashboards

Who can subscribe to **Trade Direct** ?

All importers and exporters involved in the Trade Finance activity.

How to subscribe to **Trade Direct** ?

Subscription to Trade Direct is made online via the portal www.portnet.ma when subscribing to PortNet or via the Trade Direct section displayed on the menu of services offered via the PortNet Single Window.
