Anchors Excellence!

SMART MARINA, A Tailor-made, Integrated Solution

Designed to elevate marina management processes, Smart Marina empowers to effortlessly track all marina activities while unlocking a world of value-added services through different modules.

Boost productivity, streamline operations, and minimize costs and delays with our innovative solution. With its intuitive interface, you'll enjoy a 360° management experience that ensures every aspect of your marina is seamlessly orchestrated.

Deliver unparalleled customer service and exceed expectations as Smart Marina becomes your trusted companion in providing exceptional experiences.

Several Advantages

Customized Solution :

A generic solution that can be tailored to the specific needs and requirements of each Marina. It adapts perfectly to the operating methods and organization of individual Marinas.

Comprehensive Functionality :

Marinas can manage all their activities, all within a single solution. It provides a comprehensive set of features to streamline marina operations.

User-Friendly and Scalable :

The solution offers an intuitive and user-friendly interface, ensuring ease of use for Marina staff. It also evolves with the Marina's activities, accommodating growth and changing needs over time.

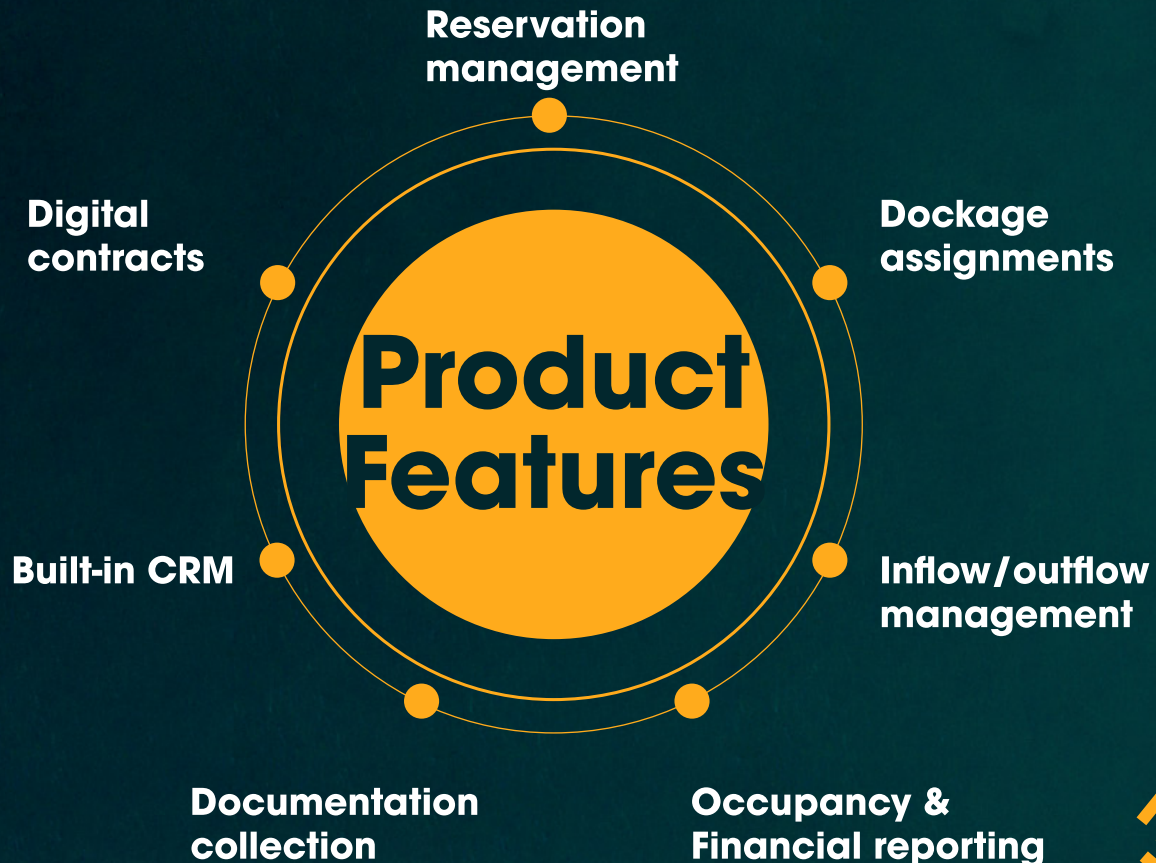

Integration and Interoperability :

Smart Marina integrates seamlessly with other systems and offers various interfaces to enhance workflow efficiency.

Mobile App for Boaters

- Boats management
- Check-In & Check-Out Process
- Online Payments
- Marina reviews
- Online Booking
- Built-in messaging
- Automated emails

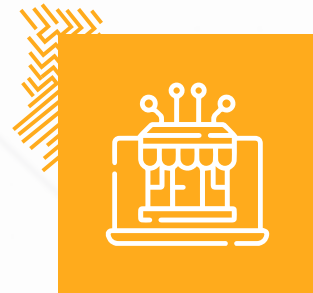

App Features

Elevate your marina's reputation by providing boaters with a top-notch experience and watch your business thrive

Increase Revenue

Marketplace listing

Showcase a detailed listing of your marina's pricing, diverse booking choices, and impressive range of amenities, ensuring transparency and convenience for potential visitors.

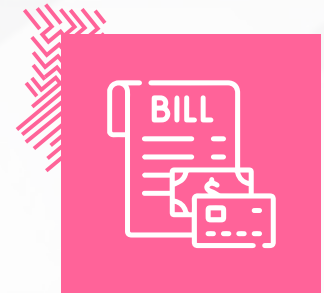

Financial reporting

Showcase a detailed listing of your marina's pricing, diverse booking choices, and impressive range of amenities, ensuring transparency and convenience for potential visitors.

Auto-billing

Streamline payment processes with automated recurring billing, while still having the versatility to adjust fees or extend promotional discounts as desired, providing a tailored and adaptable approach to financial transactions.

Invoicing

Seamlessly manage your invoicing needs through our built-in invoicing system, ensuring efficiency and accuracy. Additionally, take advantage of the power of integration with our robust APIs, connecting with your existing ERPs and invoicing systems for seamless data synchronization.
